BOY SCOUT WEEK FEBRUARY 21 to 28

A Salute to the Boy Scouts — — — — —

An organization of boys, founded in England 57 years ago by Lord Baden-Powell to promote good citizenship by creating in them a spirit of civic duty and of usefulness to others, by stimulating their interest in wholesome mental, moral, industrial and physical activities.

Today the Boy Scout Movement is world-wide and the week of February 21 to 28 will be observed as Boy Scout Week in Canada for the 24th consecutive year.

We at Griesbach have seen Scouting in action, and it is with pride that we salute the Cubs, Scouts, Rovers and Leaders.

The Theme for '65 "Fit for Adventure".

Information Office Established

A DND Regional Information Service Office is being established at HQ Western Command Edmonton on February 1, 1965, one of seven regional offices across Canada staffed by full-time, naval, military and air force officers to cover news of the three armed services.

Col. Louis A. Bourgeois, C.D., Director of Information Services, told the Griesbach Bugle during a press conference January 21st, that the Edmonton Regional Office, covering Alberta and Saskatchewan, would be operated by Major Keith Johnstone, former PRO HQ Western Command, and Flt/Lt. Ted Patterson, former PRO RCAF Station Namao. Their prime purpose is to provide accurate, up-to-date information about the armed services quickly.

Other regional offices will be located at Halifax, Montreal, Ottawa, Toronto, Vancouver and Winnipeg. In addition, secondary

information officers will be employed at NORAD, North Bay, France, Germany, Cyprus, Egypt and certain camps and units in Canada.

Of particular interest to the Griesbach Bugle was a statement by Col. Bourgeois that, "Greater emphasis is going to be placed on internal information to members of the armed forces through the medium of camp and garrison newspapers. This will provide troops and members of their families, and civilian members of DND and their families with internal information and news on exciting changes concerning the armed forces."

Col. Bourgeois was appointed Director of Information Services August 24, 1964. He is a native of Moose Jaw, Sask., and prior to joining the Army in 1941, was active for eight years in the radio broadcasting and management field in Western Canada.

Exercise "Winter Trail" February 20 — 28

Members of Canada's three United States.

armed forces will participate in a NATO exercise called "Winter Trail" to be held near Bardufoss, Norway, during the period Feb. 20 - 28, Canadian Forces Headquarters announced recently.

Participating in phase one of the exercise will be seven Canadian Army officers from the 1st Battalion, the Black Watch, headquarters, Eastern Command, and Canadian Forces Headquarters. The Black Watch battalion was recently assigned as a Canadian contribution to NATO's Mobile Reserve land component.

In part two of the exercise, five Army officers, one naval officer and 21 Army other ranks will take part in testing equipment under winter conditions.

One Yukon and one Hercules aircraft from the RCAF's Air Transport Command will transport equipment and personnel to Norway for the exercise and will carry out tests of airfield facilities.

Representatives from Italian and British Army units will also take part in the exercise as well as air force units from Belgium, Italy, United Kingdom and the

severe winter conditions to exercise participants through classroom and by practical application. In addition, Norway will test its own ability to cope with the rapid air movement of troops and equipment under Arctic winter conditions.

EDMONTON SOLDIER TO TANZANIA

A Canadian Army Sergeant from Dauphin, Man., is a member of the advance segment of a Canadian military advisory team being sent to the United Republic of Tanzania.

Sgt. Paul Magalos left Canada on January 15th with two officers to pave the way for the balance of the team of about 30 Canadians scheduled to arrive in Tanzania later this year. Tanzania is a new republic in Africa created by the Union of Tanganyika with the island of Zanzibar.

This is the fourth time away

from Canada and family since 1951 for the 35-year-old sergeant. He previously served in Korea, Egypt and the Congo with United Nation's Forces and is one of Canada's few serving soldiers wearing five post-war ribbons, four of them UN.

A member of the Royal Canadian Army Service Corps with Headquarters Western Command, Edmonton, Sgt. Magalos is married to the former Isabel Ralph of Aborfield, Sask. They have one child, three-year-old Grace Dora.

Top right shows Scout Richard Harris being invested, while lower left Scout Richard Berry is invested, and the lower right shows Scout Billy Boudreau receiving a proficiency badge.

The Library Corner

The past year was another busy one for the library staff in that more than 19,000 books were circulated to members. Also during 1964:

- Over 700 new books were placed on the shelves.
- Approximately 1,000 books having no reader interest were discarded, thereby making room for a more convenient shelf arrangement.
- The use of plastic book jacket covers was adopted as a means of maintaining the attractiveness of individual books and, consequently, of the whole library. Such covers also make a book easier to find and prolong its life.
- In excess of 500 new members were enrolled.
- About 400 books were repaired by the volunteer library staff.

The Staff

Members are once again reminded that all library staff are volunteers and that few of them, if any, have had previous library experience. If these people can give of their own time so cheerfully and willingly, it is their right to expect tolerance and good manners on the part of members. If it is necessary to complain or submit a suggestion please do so, but either put it in writing and hand it to the library supervisor on duty or phone it to the Librarian at Local 348.

Help Wanted

There is always a need for extra hands in the library and the total time involved is only a maximum of 10 hours per month. There is no pay except personal satisfaction and the gratitude of your community — particularly the children. Just speak to the supervisor during library hours on Monday or Wednesday.

There is a critical need for assistance each Saturday morning between 10:30 and 12:00 o'clock. Anyone, adult or high school student, wishing to help at this time, should contact the librarian at 479-8411, Local 348 or 474-6936 or in the library Saturday mornings.

Postal Address CAPO Changed to CFPO

Another step in integration of the Armed Forces is the discontinuing of the terms Canadian Army Post Office (CAPO), Canadian Navy Post Office (CNPO), and Canadian Armed Forces Overseas, used in military postal addresses, now replaced as of January 1, 1965, by the designation Canadian Forces Post Office (CFPO).

The present numbers will continue in use with the new CFPO designation. For example CAPO 5050 will now be CFPO 5050.

Postal addresses to be used in sending mail to Canadian Servicemen and their dependents are as follows:

An adult swimming program is now underway at the Kingsway Pool on Monday evenings. Registrations are accepted at the pool.

* * *

Junior gym classes will start February 1st. See elsewhere in this issue for details.

A basketball league consisting of six teams, has been formed within Griesbach and Namao. Uniforms are being supplied by the council.

* * *

It is hoped to lay out additional playing fields in the area for use next summer.

* * *

A committee has been formed to investigate the possibility of forming a hobby shop. The problem is lack of accommodation. It is hoped that something definite will be known by the next meeting.

* * *

The need for a swimming pool in the area was reiterated and council decided that as a temporary measure an outdoor pool would be acceptable. Council agreed to provide \$5,000.00 if approval can be obtained.

SKYLINE CHANGING

Another addition to the Griesbach commercial district has been announced with the construction of a new Bank of Nova Scotia building on the south-west corner of 97th Street and 132 Avenue.

The one-story brick building is scheduled to open in early June of this year. It will contain a floor space of 3,139 sq. feet with fixtures of dark walnut and white arborite. A feature of the increased accommodation will be additional safety deposit boxes, larger vault space, staff lunch and rest facilities and a paved parking area.

This building, coupled with the new Woodward's Shopping Centre now under construction and the recently completed Stedelbauer Motors, will present an incentive for further construction in the area.

Christmas Decoration Awards

Winners of the Christmas Decoration Contest have been announced by the Griesbach Council and a spokesman for the judging committee told the Griesbach Bugle "We were very impressed with the PMQ decorations displayed which showed an extravagant amount of effort and talent."

Judging was not an easy task as there was extensive decorating to choose from. However, decisions were based on several prime factors, some of which were design, lay-out, enthusiasm shown, and effort displayed. Many PMQs had carefully and artistically-applied boughs and they won as much praise as extensively strung-out lights. Home-made decorations and hand-painted scenes, to which the children may have given a hand, always caught an approving eye. In the words of the judges, "The complete transfiguration of the whole PMQ area made the task of touring Griesbach an extremely interesting and enjoyable one. Griesbach was indeed a radiant sight."

Winners are listed as follows:

Boy Scout Week in Canada

For the 24th consecutive year, Boy Scout Week will be observed in Canada from February 21 to 28. The week was originated in 1942, commemorating the first anniversary of the death of the founder of Scouting, Lord Baden-Powell of Gilwell. For some years prior to 1942 it had been customary to hold father-and-son banquet on February 22, the birthday of the founder, and to hold church parades on the nearest Sunday to that date.

The announcement of the first at the city hall throughout the week.

Boy Scout week included the statement that the week should "recall the work and personality of Lord Baden-Powell, and the fundamentals of good Scouting as laid down by him" and would "provide a ceremonial opportunity for reaffirmation by Cubs, Scouts, Rovers and leaders of their promise".

The first Scout week featured a radio address in tribute to Scouting on the national network by the Hon. J. T. Thorson, minister of National War Services, and another by Air Marshal Billy Bishop, V.C. John Barnes, C.B.C. producer dramatized the life of Baden-Powell on another broadcast.

Biggest gathering was held in Toronto where 10,000 Scouts and Guides gathered at Maple Leaf Gardens at a special church service. This service was a bit prophetic of today's ecumenical climate for those participating included clergy of several faiths. His Honor Lieutenant-Governor Albert Matthews attended, together with Mayor Fred J. Conboy, who delivered the address. Also in Toronto the Scout flag was flown at the municipal flag pole

At Fort William, Ont., a service was held in memory of former Scouts who had lost their lives in the war, and at Moose Jam, Sask., a torchlight procession was a feature of the week.

Lieutenant-Governor W. G. Clark of New Brunswick attended the Scout week banquet in Fredericton, and at Ormstown, P. Q., a Scout-Guide display was maintained throughout the week in the Post Office.

Barrie, Ont., Scouts launched their Scout week celebration jointly with the 2nd Victory Loan by the lighting of a huge beacon on Lake Simcoe.

This year there will be the same church parades, hundreds of them from coast to coast, when boys and leaders will reaffirm their Scout promise. There will be hundreds of father-and-son banquets, open nights and displays at which the general public will have the opportunity to see Scouting in action.

Scouts in Griesbach will hold a church parade Sunday, February 21st, 1965.

'65 Plates Red on White

The "New Look" in Alberta's motor vehicle license plates, introduced in 1964, has been well received, particularly by enforcement officials who have found the taller letters and the separation of letters and digits into equidistant groups of two a considerable improvement from the standpoint of legibility. The 1965 license plates, therefore, will bear the same types of letters and numerals, and the designations as on commercial vehicles, "F" for farm, "CV" for commercial vehicles, will remain the same.

The colour, however, will be different, according to the schedule of colour combinations determined by the Department of Highways and used in rotation. In direct contrast to the white on blue of the 1964 plates, Alberta's 1965 licenses will have red numerals on a white background, and will go on sale on March 1, 1965, throughout the province of Alberta. These include 441,500 pairs of passenger vehicle plates, 193,000 pairs of commercial vehicle plates, 50,000 single trailer license plates, and 10,000 scooter and motorcycle licenses.

Registration of trailers was introduced in Alberta in 1964, and 43,673 license plates have been issued. This does not necessarily indicate the number of trailers in use in the province, however, as trailer plates are interchangeable between any number of trailers registered to one owner.

In addition to a different col-

our, Alberta's 1965 license plates will also bear different letters. The first first letters on the new plates will be J, K, L, and N. Vehicles registered at any point in the province south of Edmonton, with the exception of the city of Calgary, will be issued with plates bearing the letter J. letter K, while vehicles registered in Calgary will bear the letter N. All areas north of Edmonton will be issued with plates on which N will be the first letter. Second letters used this year will be A, B, C, D, E, J, K, L, N, R, S, T, X and Z.

On all applications for registration for 1965 there will be a question as to whether the vehicle for which registration is required is insured. It is compulsory that this question be answered. If the answer is in the negative, the applicant will be required to pay a fee of \$20.00

Pay Parade

By Cpl. R. R. White

A very successful Christmas Party was held in the PPCLI PT Lounge, during the holiday season. This party was well attended by all ranks. A vote of thanks goes to Major and Mrs. W. J. Wilding, Sgt. and Mrs. R. A. Stuart, Sgt. Turchyniak and Sgt. Copeland, for their efforts in organizing and setting up this party. Further thanks go to Maj. Wilding for the gathering in the junior ranks club for all ranks of the Western Command pay offices. Lt.-Col. J. R. R. O'Farrell Command Paymaster, Western Command, extended Christmas wishes to all those present and their families.

During this function an impromptu Shuffleboard Tournament was held, and it was noted that

in addition to the standard registration fee, for which he will be issued with a GREEN certificate. This certificate must be carried in the vehicle at all times, and it will be an offence to operate a motor vehicle in Alberta without either this green certificate or a standard pink card indicating that the vehicle is properly insured.

the Area Paymaster and his partner (this writer) successfully defeated all challenges. The diplomacy of all the "LOSERS" in this tournament is to be commended.

Congratulations to Cpl. P. A. Chartier on passing his recently completed bookkeepers Group 1 course at Kingston, Ontario.

WO2 (Qms.) J. M. Matheson seems to like the security offered by a pair of crutches, as he had no sooner recovered from one leg accident when he made it a "matched pair" by breaking the other leg in two places on Christmas Eve. Tough luck, Matt, but to look on the bright side, we understand that leg casts are cheaper if you buy a pair. . . .

Sgt. R. A. Stuart's chair in the Claims Section is empty while he is in the hospital. We hope he

won't be there too long. "By the way, Stu, what are the temporary duty rates for that kind of a trip?"

Sgt. Mike Turchyniak will soon be on his way to 4 CIBG in Germany. Mike is becoming an experienced traveller, just having returned from the Congo via Montreal. "Aufweidersehn" Mike we are sure your tour of duty in Europe will be most successful and enjoyable.

Pte. and Mrs. Don Lewis have just recently had a "blessed event." A son, David, was born on November 30th. Don is employed in the 2 PPCLI Accounts Office.

Sgt. "Del" Dreger of the 2 PPCLI Accounts Office, has been a bit under the weather, lately, and it is hoped he soon will be "fighting fit" again.

for the Ladies

By Betty Hunter

We have all had a month to make (and break) New Year Resolutions. So things are getting back to normal again after the holiday season. It is surprising how quickly we settle back into a routine — begin to notice things about the house that we MUST get done; decide to start in on some sewing for spring and summer. We have all been to the sales and picked up "bargains", so now we must do something with them. I have dusted off the sewing machine ready for the "urge to sew" that I know I will feel any day now.

SKATING RINK

We were all thankful to see the end of the very cold weather which started in mid-December and continued well into January. However, there is every possibility that there will be more cold weather before spring finally arrives. The Griesbach Council has announced that the Skating Rink will remain open during sub-zero weather, but when extremely cold temperatures are accompanied by high velocity winds, parents are asked to ensure that their children are dressed adequately to cope with any existing wind chill. The rink management is not responsible for children suffering from wind chill.

GYMNASTICS FOR CHILDREN 8 TO 12 YEARS

Lessons in gymnastics, including trampoline, tumbling and vaulting will be held each Monday from 4:30 to 5:30. Griesbach Association members may register their children for these classes on Monday, February 1st, at the P.T. Building between 4:30 and 5:30 p.m. Registration will be limited.

SABIN VACCINE

Oral poliomyelitis (Sabin) vaccine will be available for adult and pre-school dependents at No. 1 School on Wednesday, February 10 and March 24, between 7:00 and 9:00 p.m. Eligible school children receive the vaccine in school. A complete course of Sabin vaccine consists of two doses taken by mouth. Those

who have had two doses in the past, do not require further protection. Those who have had only one dose in the past, require one more dose. Sabin vaccine can be taken only after three doses of "Salk" poliomyelitis vaccine or, in the case of children, four doses of 'QUAD' baby shots (which contain poliomyelitis vaccine) have been received by injection. Full participation in this programme is the greatest hope for eradicating poliomyelitis.

VALENTINE QUEEN DANCE

The St. John's Senior Youth Group is sponsoring a Valentine Queen Dance to be held in the P.P.C.L.I. Gymnasium on Friday, February 12th. The Griesbach Valentine Queen will be selected this year by a group of judges from well-known Department Stores in Edmonton.

The candidates for this title are Diane Cantin, Anne Bus, Cheryl Gallagher, Linda Nelson, Karen McLeod, Adrienne Elfner and Kerry O'Connell. The judges will have an opportunity to meet and become better acquainted with the prospective Queens at a reception to be held prior to the dance.

Music will be provided by the C.J.C.A. Rebels. All teenagers are invited to come out and support this event.

JUBILEE WIVES' CLUB

A meeting of the PPCLI Jubilee Wives' Club will be held in the P.T. Lounge on February 1st at 8:00 p.m. After the business meeting a lunch will be served.

GUIDES AND BROWNIES NEWS

The Guides and Brownies of Griesbach provided a record player for the children at the Winnifred Stewart School for Retarded Children. This project was their "Christmas Good Turn" and 3 Guide Companies and 6 Brownie Packs participated. On Dec. 21, a Guide, Debbie Conroy, and a Brownie, Vivianne Cable, were chosen to present the record player to the children. This was a most rewarding experience for all concerned. The joy on the faces of these children was really heartwarming.

The following letter from Mrs. Pamela Tucker, a teacher at the School, conveys the thanks of the children.

Dear Brownies and Guides of Griesbach:

This letter is to all of you who generously took part in buy-

ing a record player for my classroom at the Winnifred Stewart School for Mentally Retarded Children. The children and I would like to thank you all very much.

It's hard to explain just how much music means to a retarded child. I hope that the Brownie and Guide who actually came and presented the record player to us, may have got some idea of the immense pleasure they were bringing to the handicapped children — and I hope that they were able to tell you other Brownies and Guides about it.

The record player is in daily use and there is always applause and very often shouts of joy when the children see me open it. These are their thanks to you.

Yours sincerely,
"Pamela Tucker"

Scout News

Due to the early retirement of many leaders a serious shortage is being felt when it comes to leadership. If the present trend continues the closure of two or more of the Troops and Packs will be necessary.

The time these leaders have given in guiding the youngsters in Griesbach is greatly appreciated.

There are parents willing to aid in the programme by supplying transportation, etc., which is very noteworthy. HOWEVER, it still remains that very few parents are willing to spend two hours a week with a pack or troop. So come on, parents, get behind the leaders and give them a hand. They really deserve it.

"A" TROOP

COME ONE, COME ALL
TO "A" TROOP'S FUNFARE
FEBRUARY 17th, 7:30 p.m.
GRIESBACH SCHOOL,
No. 2 GYM.

The beginning of a new year means the beginning of a new programme of scouting for "A" Troop in Griesbach. The Troop has many new projects and ideas for 1965. During the month of December much has occurred in "A" Troop. The most joyous is the Queen Scout ceremony in which Max Hoeft received the Honoured Badge. Congratulations, Max!

Under the supervision of Cubmaster Mr. Bill Morey, a brave quartet set forth to brave —30 degree weather on a winter camp. They were David Sibley, Dick Wasney, Daryl Wilson and Barry White. They left Griesbach on December 28th and after a bone-

chilling time, were ordered back home on the 29th. All arrived home in various stages of deep freeze, but no ill effects were felt by anyone and undoubtedly a plan for the next hike was soon being discussed.

1st GRIESBACH PACK

Congratulations to Barry Einerson and Bradley Simmons who have "GONE UP" to the troop.

In the very near future we also hope to see the following boys "GOING UP": Jim Pratt, Charles Cruise, Robert Hartman, Michael Wilson and Ken Collicott. Many of the boys have been passing tests for 1st and 2nd stars.

Special mention goes to Ray Cummins who was invested only one month ago, and has already passed half the required tests for his 1st star. Keep up the good work, Ray!

Thinking Boy

Many years ago, there lived a boy called Robert Baden-Powell, "B.P." as we call him today, loved adventure. He was a fortunate boy, for his mother understood that boys needed adventures, and let B.P. and his brothers go exploring either by boat or on foot, as long as they learned to look after themselves. Later, when B.P. grew up and joined the Army, he found his knowledge of the out-of-doors very useful. Over 50 years ago, after his soldiering days were over and he had returned to England, he wanted to teach other boys how to look after themselves and collected twenty boys from all

over England for the first Boy Scout Camp. This camp was such fun that many more boys wanted to be Scouts and go to camp, and so Scouting began.

Of course, the girls heard about the fun and adventures their brothers were having as Scouts, and they wanted to join. In 1909, when B.P. called a rally of 11,000 Boy Scouts, the girls decided to go too. 'B.P. must have been rather surprised, don't you think? But, being a wise man, he knew that the girls just wouldn't be put off. He asked his sister, Miss Agnes Baden-Powell, to help him. Because B.P. knew that to be successful, the girls must have their own name and their own leaders, he decided that they could be called "Guides", after a very fine regiment in India which was noted for its ability and courage under difficulties. And so Girl Guides came into being!

That was fine for the big girls, but their little sisters wanted to be Guides too, and there was nothing for them. As long ago as 1914, grown-ups were gathering little girls together in groups for training and games, and some not-very-understanding person thought of calling them "Rosebuds". Of course it was the Chief Scout — "B.P." who solved the problem and said, "Why not call them "Brownies?" Everyone knew about the mischievous Brownies in fairy stories who did surprise good turns, and B.P. thought of Mrs. Ewing's story of Mary and Tommy and the Old Owl, and so at last the Brownies came into being.

The number of Brownies and Guides increased rapidly. Here

in Canada the first Guide Company was registered in 1910 at St. Catharines, Ontario, and today there are Guides and Brownies in 44 different countries — over five million. We think of each other especially each year on February 22, which is "Thinking Day" and the birthday of our beloved Founder.

On Thinking Day, pennies are collected and sent to the World Friendship Fund at Canadian Headquarters. Part of this is used to help girls in other countries to become Guides and Brownies, and part is used to send Canadian Guides to other lands and to bring Guides from other countries to visit Canada.

Purification of the Blessed Virgin Mary

(also called "Candlemas Day")
(Tuesday, Feb. 2nd)

By understanding the ceremony of purification after childbirth, imposed on all Jewish women, Our Lady, who needed no purification, gave an example of obedience and humility to the whole world. This day the Church celebrates the blessing of candles which symbolize Christ the Light of the World, entering the Temple to be presented here to God His Father. This is the reason why this feast is considered as a feast of Our Lord.

Feast of St. Blaise — Blessing of the Throat

(February 3rd)

Ceremony to be held Sunday, Feb. 7th, at 2:30 p.m.

How gentle and meaningful is this Church's practice of placing crossed candles to the throat of the faithful on the feast of St. Blaise, Feb. 3rd, and begging the holy bishop to protect that important part of the body: "By intercession of St. Blaise, bishop and martyr, may God free you from throat trouble and from every other evil, in the name of the Father and of the Son and of the Holy Ghost. Amen."

Whence the idea? Legend tells us that an anxious mother scurried to St. Blaise with her little boy; a fish-bone had lodged in his throat. The saint called for two candles, lit them, held them in the form of a cross under the boy's chin, recited some prayers, and gave his blessing. Almost immediately the fish-bone loosened and was easily removed. Many such cures, obtained through prayer to this saint, give foundation to the hope that the St. Blaise blessing will prevent troubles of the throat.

Keep these thoughts in mind when the priest places the candles to your throat and asks God, through the prayer of St. Blaise, to deliver you from every evil, especially from physical and spiritual evils of the throat.

G.S.Y.G. NEWS

By: Jay Anderson

The Griesbach Senior Youth Group, sponsored by St. John's Chapel, is halfway through what appears to be another highly successful year.

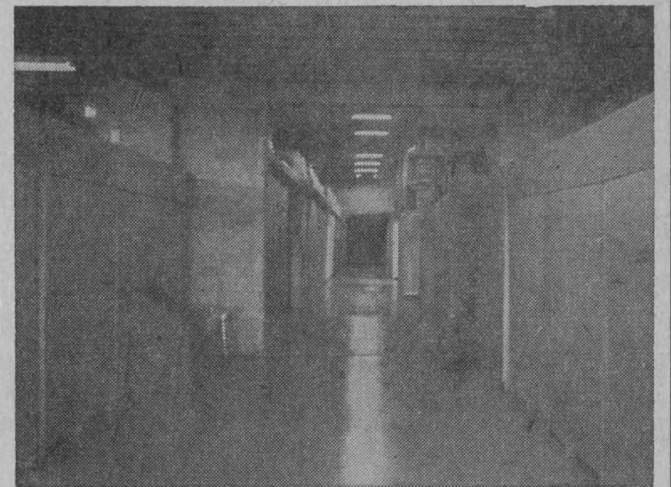

To date activities have included a smorgasbord at the Beverly Crest Motor Hotel, trips to see both "My Fair Lady" and "Murder in the Cathedral", adoption of a Korean child, Jin Hi Yun, and sponsoring two well attended dances.

One of the most ambitious undertakings this season will be the forthcoming Valentine Dance on February 12 at the PPCLI Gym. This promises to be one of the best teen dances ever held in Griesbach, and will feature the CJCA Rebels.

The Group meets every second Sunday in the Chapel and each meeting commences with a short service followed by a business meeting which is usually punctuated with bursts of laughter. When the meeting is adjourned, a movie or some other activity is held, along with refreshments. The Group is run by teenagers with a good deal of help from Padre S. Clarke.

The G.S.Y.G. is well worth its fifty cents membership fee and offers innumerable benefits and loads of fun.

OFFICERS' MESS

With all the Christmas activities over for another year, most of us have settled back and enjoyed a relaxed January. With the weather we've been having, this wasn't too difficult a task. Our parking lot recently was reduced to innumerable immobile iceboxes on wheels. Oh well, summer will soon be here.

Father St. Arnaud has departed south for Calgary, and Father Forcier can now be seen braving the Alberta winter. Cyprus to Edmonton makes for quite a change.

SERGEANTS' MESS

Well, it's been here and gone for another year. That is Christmas!

The festive season was very entertaining this year, with a Tea Dance on the 26th and the Officers' At Home to the Sergeants on the 29th.

The Sgts' New Year's Ball was held in the Leonforte Building, and the transition from the Sgts' Mess made it possible to accommodate comfortably 450.

To Sgt. Dunn, Sgt. Cummins, Sgt. Edinborough and their staff goes an expression of gratitude from all members.

The end of January finds two of our members in Alaska with the U. S. Army — S/Sgts. Jim O'Neill and Ken Kliwer. Good luck, fellas!

That's "30" from the Sgts. Mess for January.

THE CORPORALS' MESS

Now that the festive season is but a memory, we can once again get down to the business of soldiering, including of course, winter schemes.

Several members are now away on career courses, including Cpls. George Dean, Joe Bernier, Don McNiven, Wally Butler and Emerson Lowry away on Senior, Leo Ferguson on Storeman Clerk course in Montreal, Chick Fuller and Scotty Dalton enjoying the mountains at the Ski School in Banff. And last, but not least, Lena Paquette at the CFMSTC on Med Asst Gp 1 Course.

Several members have been posted to greener pastures in the past few weeks. Farewells have been said to Cpl. Herb Sheppard posted to CJATC, L/Cpl. Yanhus to H.Q. Western Ontario Area, and Cpls. Gilmour, Vrybloed, and Lacey to Civie Street. Best of luck, chaps!

Speedy recovery is extended to Cpl. "Brow" Anderson who at present is an impatient patient at RCAF Station Namao hospital.

TEEN TALK

By Postie

It has been some time since the Griesbach teens have had any representation in the Bugle. It has therefore been resolved at several of our monthly mix-ups, which are supposed to pass as meetings, that we have a column in the Bugle.

Due to the lack of any volunteer to write this column, the responsibility has been passed down to me, so if you will excuse the poor spelling, split infinitives, and all around poor grammar; I will continue with the business at hand.

Several months ago it was resolved at a meeting of all the executive of the various teen organizations, that a separate group be formed to manage the affairs of our new teen lounge. For those of you parents who still haven't figured out how we are organized; here is how it works: First, there is the Young Peoples' Group of the Protestant church under the direction of Padre S. H. Clark. The second group is Griesbach Teen Club, which has operated under several different titles, and I am sure that even some of its own members do not even know what to call themselves. This group is headed by Rick Anderson who is the president. Lastly there is the Teen Lounge Committee who, as I have said, manage the affairs of the Teen Lounge.

All of these groups work to-

gether closely, but as far as fund raising is concerned, they are separate. This might explain to some of you parents, who are still wondering, why there seems to be so many different teen dances in camp.

Our Christmas "blast" (dance) was one of the biggest successes that we have ever had. If you were brave enough to look in, you would have seen such dances as the Shimmey, Jamacian Ska, The Beatle, and many more. The music was provided by the CHED Excells, whose leader's hair mysteriously seemed to change color during the dance.

The Teen Lounge has embarked on a film showing scheme which has enjoyed moderate success. We would, however, like to see more adults at these shows. Films have been scheduled for January 30th; February 27th; March 27th, and April 24th.

Features such as:

- "Drylanders"
- "Bridge on the River Kwai"
- "Wonderful to be Young"
- "Devil at 4 o'clock"
- "Barabbas"
- "Donovan's Reef"

will be shown in the future.

In closing, I would like, from myself and all of the teens in Griesbach, to wish you and yours a most happy and prosperous new year.

SICKNESS COSTLY

In Canada it is estimated that in industry, 200,000 people every day are unable to work because of sickness.

Remember 'way back when "going like sixty" meant excessive speed?

Several new members have been welcomed to the Mess since our last publication, and congratulations are extended to L/Cpls. Ailsby, Boyetchko, Gageluk, Garison, Riley, Thomas, Verfaillee, Lamothe, Lloyd and Oster.

Badminton News

Last month's activities consisted of a club single's competition. Winners were as follows:

ADULTS

Karen Smith (Ladies')
John Vallance (Men's)

JUNIORS

G. Meeks and S. Chatry
(Girls' Doubles)
H. Gardiner and B. Davidson
(Boys' Doubles)

Suitable awards were given out by Ron Howard.

We intend to hold a club competition for both adult and junior members during the last week of each month.

The Club has visited with Namao. They in turn have visited us and a good time was had by all. It is expected that the Sherwood Park and St. Albert Badminton Clubs will be visiting during February.

Good News for Junior Members

In order to teach young players the finer art of this worthy sport, we have obtained the services of two city badminton experts. These gentlemen are willing "at no expense" to start a ten-week badminton clinic. The first of these will be a demon-

stration by four city juniors on how the game should be played, followed up each week by progressive instruction. This clinic started January 13th, so, junior members, support these people by maximum attendance each night.

There is still five months of badminton left. Anyone wishing to learn this fine winter sport, can join anytime. Club practises are held in the Physical Training Building in the Hamilton Gault Barracks at the following times:

ADULT: Tuesday night — 7 to 11 p.m.

JUNIORS: Wednesday night, 6 to 8:30 p.m.

Committee Members:

John Vallance — President
Ron Howard — Vice-Pres.
Louis Harris — Treasurer

Junior

Brian Post — President and Treasurer.

It is hoped by the publication of this paper that all our members are back in the swing of things. For further information call John Vallance at Local 420 or Ron Howard at the Maple Leaf Services Office.

WATER SAFETY INSTRUCTORS

There are many qualified water safety instructors in Griesbach, and the Community Council is appealing for volunteers to devote some of their spare time in instructing children during a proposed pre-summer course.

Remember, a good community is always improved by those who give selflessly for its betterment.

How about volunteering your service today and phone the Council representative Lieut. Bezaire, at Local 433?

Griesbach Judo Club

Soldiers interested in the sport of Judo are invited to attend sessions at the P.T. Gym from 4:30 to 6:30 p.m. Monday to Friday.

The chief instructor is Mr. J. Bouroughs (Black Belt).

For further information phone Sgt. R. A. Brignell at Local 468 or 477-3170.

Curling News

With the first half of the curling season now in the books, here is a run-down of first-half winning skips of various Griesbach Curling Club leagues:

Men's "A" — Lucas

Men's "B" — 3-way tie, Richardson, Kearney and Galbraith.

Juniors — Evans

ORs Mixed — Duddle and Freeman

Officers' Mixed — Kearney
Tuesday Rec. — 10 SDB "A" and Command "Q"

Wednesday Rec. — Western Command Pay

Thursday Rec. — Comd. "G"

The second half of the season has Knight and Crosbie leading the 1st and 2nd section play in "A" League, while Thompson is ahead with two wins in "B" League. Bruce Smith of the Juniors, tops the field with six wins and three losses.

Area Championship Playdowns which must be completed by February 13th, is now in the grip of Wells and his rink with four straight wins.

Consols Playdowns, a modified double knockout tourney leading to Zone 5 Playdowns in St. Albert on January 23-24, will come up with a winner as this goes to press. On January 18th Knight and Thompson played the third and final game — the winner moves on to St. Albert. Either team will be fine 'reps' for our Club — good luck in Zone 5 play, fellows.

In the Alberta Curling Association mixed Playdown, Thompson and Brown lead. By January 23 a winner was determined and we wish that rink "good curling" in their Zone 5 Playdown at Namao, January 30-31.

Entrants still are required to compete in the Milk and Honey tourney now to be held at Wainwright on March 20th.

Watch this column for notice of our Club's next General Meeting. The Club Committee is working on some improvements for members' approval.

COLD SPORT

Judith Joy, a U.S. swimmer and skin diver, is a leading exponent of the new sport of ice-diving — swimming under at least 10 inches of ice.

COMMAND SKI CHAMPIONSHIPS

The Command Ski Championships will be held at Mount Norquay, Banff, Alta., February 22 to 26. HQ Calgary Garrison is sponsor of the meet and will make all technical and administrative arrangements.

Unit teams and individuals from across the Command will compete in three Alpine events (downhill, giant slalom and slalom) and in three Nordic events (biathlon, patrol and cross-country).

It is expected that some 80 competitors will take part with fifteen going on to the Army Championships at Camp Valcartier to be held March 1 to 5.

17 ROD Bowling

17 ROD's Bowling League moved into 1965 with four of its six teams battling it out for top position. On January 7, the Humbugs and Hotshots were tied with 58 points apiece.

Shirley MacDonald's average of 174 is keeping her ahead of her closest rivals Maxine Gossman and Phyl Rixon. Chuck Gregory with an average of 199 appears to have an established lead which will be difficult to beat. However, Daryl Melanson and Cecil Vasey with averages close to 190 are attempting to close the gap.

The annual depot Bonspiel is planned for February. Last year's champion team's skip, Jim Grimstead, is now resting on his laurels in Truro, N.S.

Paper Quips from Area "A" Branch

by Sgt. HAL NORDIN

New Year's festivities have come and gone for another year; only the memories live on. While attending the New Year's Levee at the various sergeants' messes about the city, I met many old friends and made new ones as well. But of all the people I spoke with that day, one gentleman bears mentioning above the rest. During my brief stay in my own mess, I had the singular privilege to meet an Artillery sergeant-major who had reached the age of seventy-two. He stood there erect and looking very soldierly while he related many highlights of his life from the Boer War and through the First World War. He related personal experiences so vividly it made me feel I lived for a time in the past. When he left the mess, I noticed that his mode of conveyance was a beautifully preserved 1937 Pontiac. By the time my car was ready to roll on its square wheels, he and his 27-year old friend were out of sight. I know not his name, or from whence he

came, but I feel I gained something for having made his acquaintance, brief though it may have been.

We have a charming new typist in the branch in the person of Mrs. Barbara Robinson. Barbara mentioned that she had not worked for seven years, but judging by the excellent work she is turning out on that thrashing machine — she must be very adaptable. Welcome, Mam.

"Sack cloth and ashes on my head if I don't mention that Cpl. (Sandy) Sanders returned recently from leave following a trip to Cyprus. He has many a tale to tell complete with elaborate gestures for which he is well known. Welcome back, old vet.

Word has it that Sgt. Cecil Elton will be leaving our happy little group for greener pastures. He will be replacing yours truly at the Canadian Armed Forces Recruiting Centre here in the city. Cecil is a credit to "A" Branch and I'm sure he will be no less valuable as a Recruiter.

Among recent departures from our branch was Mrs. Merle Smiley. Merle has returned home to Namao where her husband is an RCAF corporal. Her subtle humor will be missed.

Sgt. (Ike) Ikuta has forsaken our branch for Area G Branch. A finer gentleman cannot be found. While in our midst he kept us informed on the finer points of golf of which he is an avid participant. Our loss is certainly "G" Branch's undeniable gain. With so many arrivals and departures lately, our branch could be mistaken for Grand Central Station.

17 ROD News Briefs

By WO2 J. A. Erskine

MILITIA CAPER

By the time this edition hits the streets, the special Ordnance Inspection teams who have been engaged in field manoeuvres with the militia units being closed-out, will have completed the second phase of the operation. Staff Jim Aucoin, along with Pte. Nickerson and Norm Elson, spent most of the month in Calgary.

Sgt. Foster, Ptes. Dalpe and Gregory, split the month between Vegreville and Edmonton. Sgt. Reeves, Cpls. Rixon and MacDonald were toiling in Red Deer and Sgt. Webb, Pte. Sigouin and Steve Faryna rode the airways to Fort Smith.

No doubt the boys will be glad to settle down for a month before starting out once more on Phase Three.

REPRIEVE

Personnel of the RCASC who were to have been embraced by our progressive Corps last January 1st, have been granted a reprieve until April. Don't get too relaxed, you guys, we are still hoping!

THE TRAVELLERS

Mr. Cliff Watson, who migrated south for a whirlwind vacation in Alizona, California, and other spots where tourists are made welcome, hurried back to enjoy the sub-zero temperatures. Even being grounded on the coast did not deter his determination to make it back to the land of ice and snow.

Major Read, the newly appointed OSO, took off with Staff John Yaschuk to Calgary on Jan. 13 to arrange for the return of stores being removed from the militia units. I see the landing was OK, John, how about the take-off?

The CO, Lt.-Col. S. E. Hunter, was hopping around the country like crazy last month. On January 11th, he climbed aboard a north-bound plane enroute to Ft. Smith. On January 12th he was headed for Calgary and three days later, he set out for Montreal and the Senior Ordnance Officers' Conference.

SEA DUTY?

Staff Wally Johnston was not, as many thought, pressed into service with the navy. He was only engaged in the turnover of HMCS Nonsuch to the Army. Having escaped the clutches of the Senior Service, he is probably happy to be back with the landlubbers.

IN LIGHTER VEIN

Some of the guys are wondering if they continue to watch that fascinating TV show "Combat", whether or not they will be eligible for more campaign ribbons. Some have even gone as far as suggesting that watching the series should be made compulsory and perhaps eventually replace Annual GMT. The resultant savings would be enormous and the only expenditure encountered would be an occasional TV service call to replace a blown-out picture tube!

Many opinions have been uttered lately regarding the long cold snap and some have even made a motion to offer the country back to the original inhabitants. The Regina Kid came up with this observation: The only reason the Indian was here before the white man was because he had a reservation!

Staff Aucoin expressed his hopes recently that the integration of the services would not result in some joker issuing a set of wings for a Centurion Tank!

CHIT - CHAT

Pte. K. C. Park has been loaned to Camp Wainwright for the winter to assist in looking after the Winter Training exercises being conducted.

Mrs. Maureen Brown, a Central Registry expert since 1959, decided to toss in the sponge and retired from the Civil Service on January 15. Charmaine McArthur has been transferred from Traffic to the Work Measurement Section and appears to be enjoying her new job. Nice to see Coral Mains back on the job after a combined sick and annual leave frolic.

Cpls. Gordon Pringle and Terry Rixon completed a nine-week Sr. NCO Course at the School in December and have joined that exclusive group who are waiting for the third hook.

That attractive new smoking stand recently introduced in the warehouse, was intended to provide a certain amount of safety for the addicts when they took a few drags. However, some medical experts have reported that smoking can be just as fatal as being run over by a truck!

The fourteenth of February is called St. Valentine's Day as the name day or feast day of eight different Christian martyrs named Valentine. No one seems to know how or when the custom of sending gifts or cards started, but don't forget, fellows, the gals will expect the custom to be continued as usual!

Promoted

Capt. Angus V. Read, RCOC, a native of Virden, Man., was promoted to the rank of Major on January 11th, and appointed Ordnance Stores Officer.

Major Read received his commission in 1950 with the 2 PPCLI and later transferred to the RCOC in 1954.

He then spent three years with 16 ROD and in May 1957 proceeded overseas to join the 4 OFP in Europe. On his return to Canada in 1960 and after two years with 28 COD, Shilo, Man., he went to Fort Churchill where he completed a two-year tour last June.

On his arrival at 17 ROD he had brief periods as Stock Control Officer and Area Controls Officer until his recent appointment.

BLESSED EVENTS

Congratulations are extended to Cpl. and Mrs. Parisseau on the arrival of a new addition to their family in the person of Remi Donald last December. Cpl. and Mrs. Fred Koschzcek also report a new member in the birth of son Lance Edward on January 5.

NEWCOMERS

Lt. A. J. Millar, who received his commission in 1961 through the OCP, has been taken on strength from 25 COD. A native of Montreal, he has been appointed Document Control Officer and is looking forward to enjoying his posting to Western Canada.

WO2 F. Birchenall has joined our happy group from 44 COR in promotion from S/Sgt. He is now on detached posting with our Calgary Det.

Mrs. Rosemary Cairns has moved into the hard pressed typing pool, and being a steno, will be welcomed by Maj. Haines and company. Mrs. Lee Bennett, formerly at HQ Western Command, has transferred over and is employed in the Stocktaking Section.

P. P. C. L. I. DEPOT NEWS

1965 arrived bringing with it the promise of more colder weather at least for the first quarter. It's hard to recognize people when all you can see of them is two eyeballs and tip of the nose. The RSM graciously consented to cease drill on the parade square for January.

We are still welcoming recruits every day. They come from all parts of Canada and are a welcome addition to the Depot.

Amiens and Scarpe Platoon graduated in December and Mons Platoon graduated last week.

During the annual Christmas party held December 21, presentations were made to Cpl. Pete Abbott, who retired, and Cpls. Bob Lewis and Jim Irvine, who were posted to 2 PPCLI. The RSM was presented with a suitably inscribed apron in honour of his many years of devoted service at the Kitchen Sink. There was an abundance of talent present. Cpl. Ed Rohac (the Hungarian violinist), and Cpl. "Steamboat" Chorney along with Cpl. Jim Irvine and Cpl. "Spider" Webb provided the music for the active dancers.

Groundhog Day

Groundhog Day, February 2nd, popularly alluding to the tradition that on that day the animal comes out of his hole, and if he casts a shadow, runs back, in which case a return of wintry weather is to be expected.

NUTS & BOLTS

by Cpl. J. WUYCHUK

Here we are back again after an absence of a couple of months. This is, of course, understandable since it was the "Season to be Jolly" — some of our folks really worked at it. It's amazing the change that comes over some people when they get filled with Holiday Spirit. However, we won't elaborate on that. Suffice it is to say that most are now back to what, by comparison, seems a pretty routine existence.

Since our last press release we have said good-bye to Captain G. M. (Gord) Brown who was with us for some time as RCME Inspections Officer and was well known throughout Alberta Area by both Regular and Militia personnel. Gord has taken a position of a similar nature with the Federal Department of Public Works in Whitehorse and we all wish him every success in his new job.

Cpl. H. W. (Hank) (or Henrietta at times during curling season) Cunningham has taken his family and teepee and left us for the peace and quiet of the "Ponderosa". We wish you all the best, Hank, and hope you will send us a smoke signal once in awhile, if the weather ever clears sufficiently.

We welcome to the fold the following:

From Regina, Sgt. R. E. Jonah and family. Sgt. Jonah (Bob) is employed in the Control Office of 224 Workshop RCME.

From the RCME School, 2/Lt. B. (Bruce) Tomlinson and his wife and children. Bruce is employed in HQ 13 Company RCME.

From Whitehorse, where he has been seconded to DPW, Lt. A. G. (Tony) Rose and family. This is Tony's second time around in the Area. He was previously Command Scaling Officer.

Tony is pleased to be back and get away from all that cold weather up North. Nice to soak up the heat again in Edmonton — eh, Tony?

Congratulations are in order for Cpl. Chaisson who has successfully completed a Senior NCO course at the RCME School, Kingston.

224 Workshop and 13 Company RCME personnel had a very successful Children's Christmas Party, at which Santa was pleased to see so many enthusiastic and well mannered youngsters. Could it have been just that Christmas was really coming?

We are happy to see our OC, Captain H. J. Millen, up and around again after his three weeks R&R at the Col. Mewburn Hospital. Just joking, Capt. Millen, we sincerely hope that you and your car are both well.

Our recreational curling is in full swing again after the festive intermission, so some people are experiencing the aches and pains of getting into shape again. Better keep at it, chaps, because the RCME Bonspiel will be coming up shortly and this requires a high degree of skill and stamina. As a note of interest to all, we are contemplating having a "First Aid Team" this year, standing by with bandages and sutures, just in case of incidents where the ice meets the head. A certain zealous Lt. hasn't curled the same since this happened and he was left unaided.

We hear Cpl. Lovely and his son are batching since his partner left for the East to be with her mother-in-law until it warms up out West. It is also noticed that Sgt. (Doc) Folkard has come out of hibernation since Christmas and the cold snap began.

INSPIRED SONG

Dame Clara Butt, the famous English contralto of the early years of the 20th century was responsible for suggesting that Edward Elgar write his patriotic song, Land of Hope and Glory.

No matter how low their scores, hockey teams have no trouble putting the game on ice.

Sgt. Owen Lackenbauer, 28, of Waterloo, Ont., left the Army last month to enter civilian employment following 12 years continuous service.

Sgt. Lackenbauer was the public relations assistant with Headquarters Western Command in Edmonton since May, 1963.

He now takes up duties as press liaison officer for the firm of J. D. Francis & Associates, Public Relations Counsel, in Calgary.

Before his posting to Edmonton, Sgt. Lackenbauer served in Toronto, Oakville, London and Ottawa. He served with the United Nations Emergency Force, Egypt, in 1956 and again in 1959, and is a graduate of the U.S. Army Information School, Fort Slocum, New York.

On the Chinese calendar, 1965 is the year 4665, which is the "Year of the Snake," with the Chinese New Year's Day falling on Feb. 2nd, which is Groundhog Day and if that seems as mixed up as chow mein — it is.

WINE FANCIERS

It is estimated that one quarter of the wines imported into Canada are consumed in the city of Montreal.

Camp Comments

The Camp and Administrative Staff, which includes the Edmonton Administrative Wing, is off at full tilt for 1965.

Staff changes are as follows:

Sgt. Bill Harper, our amiable NCO IC Records Section, has been warned for posting to Washington, D.C. It has been noted that he has been studying certain publications of late pertaining to tours in the U.S.A. Pte. Vern Smith has been posted to the Area Accounts office.

Cpl. Ken Moar is power mad, now that he is a Lance Sgt.

Mrs. Tita Derousseau is a pleasant addition to our Records Section.

Our sick parade has now reverted to normal with Pte. Pat Morningstar returned to work after an operation for appendicitis. Cpl. "Sigs" Brown is back from hospital, but his respite is only temporary as he has to return to Col. Mewburn for further treatment. Best of luck, Brownie.

The "Coutts Travel Agency", under Sgt. Ken Coutts is doing a thriving business with postings, courses, etc. Happy clearances all.

See you next month.

Take a snow-covered Sherman tank, two servicemen assigned to check it out, sub-zero temperatures, and five frozen-up hatches — then one has the making of a large-size headache. Elements to the contrary, Corporal Murdo MacDonald and Corporal Terry Rixon, both attached to No. 17 Regional Ordnance Depot, Edmonton, were able to “crack” the tank and carry out their inspection. This old Sherman parked at Penhold, is a part of “C” Squadron, King’s Own Calgary Regiment, and is slated soon to go into moth-balls. — The Red Deer Advocate.
